SUMMARY

Engineering leader with deep technical background in C++, Java, and Objective-C. 12 years of experience delivering enterprise-scale solutions.

WORK EXPERIENCE

Mobile Developer

2023-03 — Present

Notion (full-time)

Created in-app purchase integration using Fastlane, generating 50000+ in revenue

Built AR/VR features using UIKit, increasing user retention by 67%

Built widget functionality using AWS Amplify, increasing daily active users by 37%

Mobile Developer

2019-07 — 2022-10

PromptStack (contract)

Built widget functionality using CocoaPods, increasing daily active users by 39%

Implemented push notification system using Android Studio, increasing user engagement by 47%

Built AR/VR features using Supabase, increasing user retention by 47%

Mobile Developer

2016-01 — 2019-06

Supabase (contract)

Created in-app purchase integration using Expo, generating 5000+ in revenue

Built offline-first architecture using Expo, improving app responsiveness by 31%

Implemented app streaming using Gradle, reducing download size by 43%

Created app analytics tracking using Core Data, providing insights on 1000+ users

iOS Developer

2013-08 — 2015-09

DataPulse (internship)

Created app analytics tracking using App Center, providing insights on 5000+ users

Developed cross-platform solution using AWS Amplify, reducing development time by 25%

EDUCATION

M.Eng. in Electrical Engineering

2015

Purdue University

B.A. in Electrical Engineering

2013

University of Waterloo

SKILLS

C++, Java, Objective-C, Kotlin, React Native, UIKit, SwiftUI, Firebase, TestFlight, Firebase Firestore, Core Data, Hive, Realm, SQLite, AWS Amplify, Firebase, RevenueCat, Supabase, Offline-First, Clean Architecture

PROJECTS

AutoScale Monitor *(React Native, Kotlin, C++)*

Built Offline Sync with Kotlin and React Native, serving 10,000+ daily active users

Health Check Service *(C++, Java, Kotlin)*

Created Offline Sync leveraging C++ for core functionality and Kotlin for optimization

ADDITIONAL

Volunteering: Volunteer coding instructor at Caldwell, Mccarthy and House Youth Program, 2024-Present
