RESEARCH INTERESTS

Lead mobile development professional with 8 years driving technical strategy and team excellence. Expert in Swift, Dart, Flutter with track record of building and scaling engineering teams.

EDUCATION

TU Munich B.A. in Artificial Intelligence, GPA: 3.35	2018
TU Munich B.Sc. in Computer Science	2017

PROFESSIONAL EXPERIENCE

Flutter Developer Created app analytics tracking using App Store Optimization, providing insights on 5000+ users Implemented biometric authentication using Firebase Firestore, securing 1000+ user accounts Built offline-first architecture using Firebase Firestore, improving app responsiveness by 66% Optimized app performance using Firebase Firestore, reducing battery consumption by 58%	, NeuroLink Labs	2022-05 – Present
iOS Developer Developed cross-platform solution using RevenueCat, reducing development time by 55% Implemented push notification system using Flutter, increasing user engagement by 60% Built widget functionality using Firebase, increasing daily active users by 67% Built offline-first architecture using TestFlight, improving app responsiveness by 17%	, Spotify	2020-10 – 2022-04
Mobile Developer Created in-app purchase integration using Clean Architecture, generating 1000+ in revenue Developed mobile application using Clean Architecture, achieving 1000+ downloads	, HashiCorp	2017-12 – 2020-07
Android Developer Created in-app purchase integration using React Native, generating 1000+ in revenue Developed cross-platform solution using React Native, reducing development time by 53%	, AgentForge	2016-11 – 2017-06

TECHNICAL PROFICIENCIES

Swift, Dart, Flutter, SwiftUI, Expo, CocoaPods, Firebase, Android Studio, Firebase Firestore, Hive, AWS Amplify, Firebase, RevenueCat, Supabase, Offline-First, MVVM, Clean Architecture

SELECTED PROJECTS

Vector Search API [Dart, Expo, Swift] — Designed and implemented Android Application with Dart, integrating with Swift for seamless data flow

Deployment Dashboard [Swift, Dart, Flutter] — Designed React Native App leveraging Swift microservices architecture with Dart for caching

PUBLICATIONS & OTHER

Teaching coding workshops
