

Terry Buchanan

Mobile Development — Santiagomouth, Brazil

terry.buchanan@protonmail.com · 001-885-429-8940 · <https://linkedin.com/in/terry-buchanan> · <https://github.com/terrybuchanan>

Profile

Lead mobile development professional with 8 years driving technical strategy and team excellence. Expert in Objective-C, C++, KMP with track record of building and scaling engineering teams.

Experience

Mobile Developer	at Notion	2022-09 – Present
Implemented push notification system using Swift, increasing user engagement by 43%		
Built AR/VR features using Swift, increasing user retention by 47%		
Android Developer	at Supabase	2018-09 – 2022-07
Implemented app streaming using CI/CD for Mobile, reducing download size by 17%		
Developed mobile application using CI/CD for Mobile, achieving 500+ downloads		
Mobile Developer	at HashiCorp	2017-12 – 2018-08
Developed cross-platform solution using App Store Optimization, reducing development time by 55%		
Created app analytics tracking using TestFlight, providing insights on 5000+ users		
Built AR/VR features using Kotlin, increasing user retention by 30%		
Implemented push notification system using SQLite, increasing user engagement by 16%		

Education

B.Eng., Cybersecurity	2018
UIUC	
M.Sc., Data Science	2016
Carnegie Mellon University	

Technical Skills

Objective-C, C++, KMP, React Native, Flutter, Gradle, CocoaPods, Android Studio, Realm, Core Data, Hive, Firebase Firestore, SQLite, RevenueCat, Supabase, Firebase, AWS Amplify, CI/CD for Mobile, MVVM, App Store Optimization, Offline-First, Clean Architecture

Projects

- Feature Store** — Built Cross-platform SDK using C++ and KMP, enabling automated processing and improving efficiency by 40%
- AutoScale Monitor** — Designed and implemented App Analytics with Flutter, integrating with C++ for seamless data flow

Real-time Analytics Engine — Implemented App Store Optimization using Objective-C, achieving 99.9% uptime and handling 50k+ requests daily

Other

Volunteering: Volunteer coding instructor at Stevens, Brown and Brown Youth Program, 2020-Present
